

Meet the modern lump sum mobility solution

Built for today's professional

Today's lump sum move is more powerful than yesterday's managed move. Relocity Guide is the modern solution that empowers your employees including pre-move payments, curated relocation tools, and the flexibility to manage their move their way — with structure, insight, and support built in.

SEAMLESS LUMP SUM PROCESSING

- Disburse funds quickly – easing financial stress by delivering relocation funds before the move.
- Automate gross-ups and integrate with payroll – ensuring tax compliance and simplifying tracking.

EXPERT CURATED DESTINATION CONTENT

- Personalized city guides and task checklists – helping employees navigate their move with ease.
- Interactive community – connecting employees with colleagues in a company-specific network.

MARKETPLACE WITH DISCOUNTS

- Save time and money – access a curated marketplace with vetted suppliers offering exclusive discounts.
- Maximize lump sums and productivity – ensuring employees get the best value with minimal costs and research.

THE BETTER, SMARTER WAY TO RELOCATE

- Simplify processes and reduce costs – lump sum disbursements, tax compliance, and branded experiences. Providing real value over traditional managed moves.
- Enhance employee experience – trusted content, guided autonomy, and feedback-driven mobility improvements.

An end-to-end lump sum solution in the palm of your hand
